### Recommendation Letter for Rakhman Kurbanaliev

To Whom It May Concern,

This letter is to confirm that the student has successfully completed our High School Internship Program, held from June 16 to June 27, 2025.

Over the course of the program, Rakhman Kurbanaliev demonstrated a thoughtful and proactive approach to every aspect of the internship, and showed genuine curiosity, a strong work ethic, and the ability to engage meaningfully with new and complex material. Whether working independently or within a team, consistently contributed with focus, responsibility, and professionalism.

The internship involved a series of hands-on sessions in consulting, taxation, and investment strategy. Rakhman approached each topic with interest and maturity, asked insightful questions, and applied new knowledge with confidence. Notably, the final case study presentation reflected a clear and structured way of thinking, as well as strong communication and collaboration skills.

It was a pleasure to observe such early potential, paired with a positive attitude and willingness to learn. We believe this experience has laid a strong foundation for future academic and professional growth, and we are pleased to recommend the student for further development opportunities.

Yours faithfully,

Gabit Musrepov
